

Mustard Seeds Preschool

May News

It is hard to believe we only have three weeks of school left. Where did the year go? We will pack in as much fun and learning as possible!

The 4-5 classes will continue their nature exploration, celebrate Cinco de Mayo and our mothers, learn about life in and around a pond and end our year with graduation. Our letters for May are X, F and Z.

The 3-4 class will make a gift for our mothers, learn about frogs and zoo animals. We will meet at Potawatomi Zoo on May 13 at 9:45. All children must be accompanied by an adult who has had the "Safe Environment Training." Please return the zoo slip sent home last month so we know who to expect. There will be no rain date. In the event of rain, we will have class at school as usual. HASA pays for the students' admission. Additional admission is at a group rate: \$5.50 for adults and \$4.50 for children. We will enter as a group.

Happy May Birthday to: Luciana 1st, Emily S. 23rd, Madison 25th, Brian 26th, Nico 27th and Kooper 29th!

Happy Summer Birthday to: Faith, Lucas, Sam R., Kylie, Cameron, Makayla, Emily W., Macayla, Ross and Collin!

DATES TO REMEMBER

May 13	3-4 class meets at the zoo at 9:45 a.m.
May 19	4-5 A.M. Graduation at 10:00 in the gym.
May 21	4-5 P.M. Graduation at 2 p.m. in the gym
May 21	Last day for 3-4 class

Thank you for sharing your children with us this year! Have a fun and safe summer!

God bless our preschool families!

Ms. Teresa Brown and Mrs. Beth Lertola
