To Infinity And Beyond!

A Look at the Month Ahead

Reading: Novel Studies

We are reading the novel, Charlotte's Web by E.B. White.

Writing: Simple 6

We will be doing another writing sample to add to our Simple 6 writing portfolio. We finished our Young Authors' Books. They are going to be on display in the Library. ☺

Math: Unit 8/Unit 9

We will focus on Unit 8. It deals with Fractions! Fun! Unit 9 is more multiplication and division! Keep working on those facts!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Social Studies: Mishawaka Community

We are going to be studying the history of our small communities and talking about our local government. Be on the lookout for a permission slip for an all day field trip toward the end of the month.

Science: Life Science

We are working hard in our studies in the Life Sciences. We will be turning Room 8 into a tropical rainforest soon!

***Have you signed up for Relay for Life? Have you purchased a foot? If you cannot walk in the Relay, check out the website and donate to the Puma Walkers! You can always donate under my name! ☺

Thank you to those of you that attended the movie night for R4L. Di you order a t-shirt? Contact the office for more information!

From The Teacher:

Words cannot express how thankful I am for being able to teach your children this year! Each and every one of them brought something special to our classroom.

Thank you for sharing!

Our Star Birthdays!

There are 0 May birthdays.

If your child has a summer birthday and would like to celebrate, just let me know a good time for you to bring in a snack!
