## STARTING LINE-UP FOR THIS MONTH

PRE-SCHOOL: It's hard to believe the school year is just about over. Both AM/PM classes are AWESOME!! We are finishing up T-ball, still working on motor skills and learning new games.

KINDERGARTEN: Our kindergarten students have seen a lot of growth, physical as well as maturity. Learning to cooperate, listen and follow directions. GREAT JOB!

FIRST GRADE: These last few weeks we will learn some new games and work extra hard on listening and following directions.

SECOND GRADE. Finishing up softball, still working on exercises and learning about 3<sup>rd</sup> grade.

3<sup>RD</sup>-5<sup>TH</sup> GRADE: What a transformation in all 3 grades. The growth physically, maturity and spiritually. These last few weeks they will learn to play Frisbee golf.

MIDDLE SCHOOL: Another 8<sup>th</sup> grade gone on to high school. It's getting harder to say goodbye. These last few weeks middle school will learn the basics of golf and play Frisbee golf as well.
