Reading: **Frindle**

The students started reading our new novel this week. They are working in small groups in reading the story.

English: **Verbs**

This month we will be finishing our focus on verbs. We have been finding action verbs in a sentence, past, present, and future tense of verbs, and special verbs. We will be having our verb test before vacation.

Math: **Decimals/Metrics**

The students have been working on decimal units to the thousandths place value. They have done a great job. We will move right into measuring and converting.

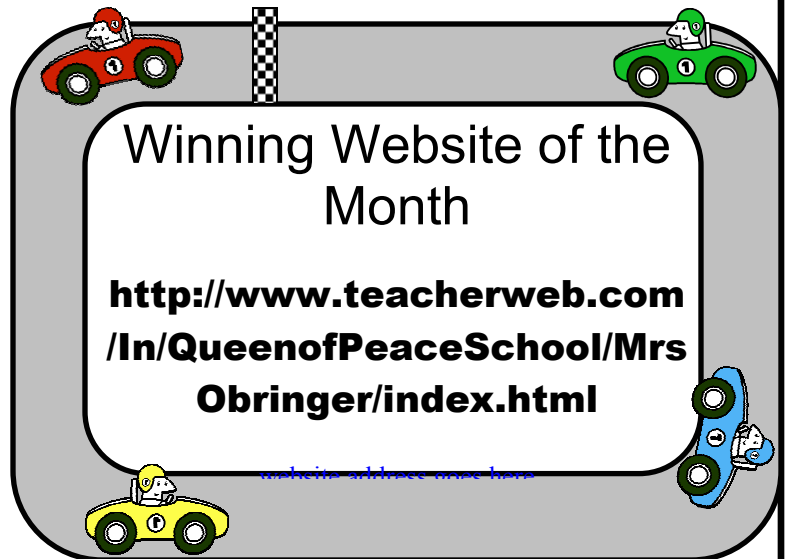

Science/Social Studies:

Unit

Science fair projects are underway and will be completed before vacation. We will continue after vacation.
