Reading: **Tales of a 4th Grade**

Nothing

The students were supposed to have read this book over the summer. We will spend some time in Literature circles learning about character traits, story events, and summary.

English: **Sentences**

The students will be looking closely at sentences and determining what type of sentence it is and the different punctuation marks.

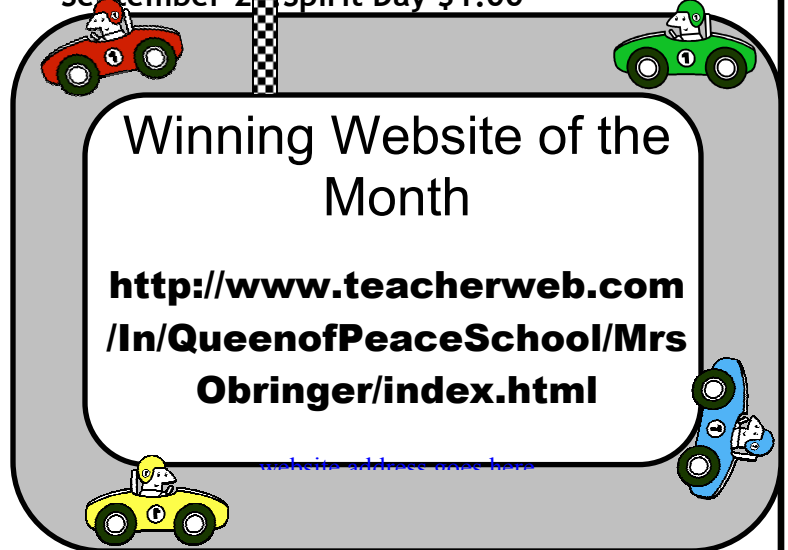

Math: **Geometry**

We will be looking at geometry this month and the different types of lines, angles, and how to construct circles using a compass.

Science/Social Studies:

Unit

We will begin the year with Earth Sciences. We will be looking at the Earth and its landforms, the layers, and disasters.

Teacher Notes:

Welcome Back to School and to the 4th grade! We are going to have a great year!
