We Are Smarties!

UPCOMING EVENTS

Reading: We are continuing to improve our reading skills. The class has come a long way since we first started reading books! Their confidence level is great, and they enjoy volunteering to read aloud to the class. Thank you parents for taking time at home to help and listen to your child read—it makes a great difference in the reading process. Please continue to encourage your child to practice their Sight Words each night—they are doing a great job!

Writing: In the last few weeks, I have noticed an amazing improvement in handwriting skills. Lots of practice has certainly paid off, and the class is really beginning to show pride in their work. We are working on word families, plural nouns, proper nouns, and word endings.

Math: We are working on subtraction right now and the class has a good understanding of the procedures involved in solving the problems. We will soon begin to work with money and telling time.

Science/Social Studies: In Social Studies, we will continue to discuss maps, symbols, and leaders. In Science, we will soon begin our Butterfly Unit. Our caterpillars should arrive shortly. The students will have their own individual caterpillars to observe and watch as they grow, make their chrysalis, and turn into beautiful butterflies!

May 1—First Communion 11:45 Mass
May 2—McTeacher's Night 4:30-7:30
May 5—Spirit Day

From The Teacher:

-Please remember to pack a snack for your child daily. My emergency supply is running very low! ☺ Thanks!!

-This has been a very good year and we have enjoyed this class very much. The class has adjusted very well to our change in April. Thank you for your support. Mrs. V. is going to try to visit the class with her new little man sometime before the end of school.

-You can reach me at jbuysse@queenofpeace.cc

Weekly Words

Continue to practice ALL previously studied sight words!
