## We Are Smarties!

## Upcoming Events

### Reading:

We are doing great in reading groups so far this school year. We have been working on the high-frequency words THE, MY, and A. Please continue to read the reading group books at home. Your child is also reading "Weekly Reader" magazines in class. These are great to use for reading practice too! We will begin our PIZZA HUT BOOK IT PROGRAM this month. Return the reading log at the end of the month and your child will receive a ticket for a FREE PIZZA! We will also be sending home the ABC cards discussed at Parent Night soon!

### Writing:

We are beginning to see GREAT progress with handwriting! We emphasize using lines and spaces as well as correct letter formation. Please continue to stress these concepts at home as well.

**Math:** We are continuing to work on geometry and patterns in this math chapter. We are focusing on the cube, sphere, cylinder, cone, and rectangular prism. In the next chapter we will work on position words such as above, below, left, right, over, under, etc.

**Science/S.S.:** In Science we have completed our weather book and have begun to discuss the four seasons. They are doing great! We also made holiday cards for the soldiers overseas.
