

Mrs. Lambert's Notes

November
Mrs. Lynn Lambert
(574) 255-0392

K-8 PRACTICE GOODLISTENING and learn more.

K-8 Top priority now is to prepare for the Epiphany Concert in January, so we'll be singing Thanksgiving and Christmas music. I will probably read a few Thanksgiving books to them, too.

We will add "America, the Beautiful" and "God Bless America" to our patriotic repertoire.

We will continue to be a supplement practice for Mass music.

We will continue doing theory workbooks as time allows. This includes learning about instruments and composers.

Grades 4-7 continue to play recorders and should be practicing at least 10 minutes daily as part of their homework.

3rd and 4th grades plan to attend a Bethel College educational concert featuring strings and percussion instruments on the 19th.

In the 1st classes of October, November, February, March, April & May, we have a "SPECIALS" class. Your children are familiar with this. They get to sit wherever they wish; they receive Skittles when they leave; they get to perform something they are learning to do (play an instrument they are studying, sing a song, dance, juggle, tell a joke, etc.); they may request singing a past song or a new song from our books or doing a familiar march; I may read a selected story. Encourage your child to share his/her talent. If you play or sing, you may like to come share, too.
