Learning Library Skills: For February

All grades will be studying a biography in celebration of “Black History Month.” They will then write their own short biography about that person. Grades 4-8 are also working on their skills using the encyclopedias and dictionaries.

February’s Author of the Month is:
Tomie DePaola

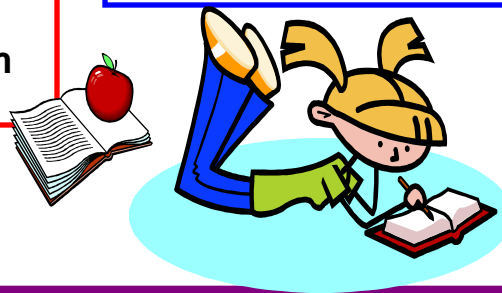

Mr. DePaola has written more than 170 books including fiction and nonfiction. He generally draws upon his childhood as a source for inspiration

AR Bead Chains

All our students are able to see their accomplishments at a glance. Many students have reached their goal already. Hats off to everyone .

Upcoming Events in the QP Library:

Each year three groups of books, win the “Young Hoosier Book Award.” Students will have the opportunity to read several of these books and vote for the one they think is best.

*****Extra—Extra—Read All About It*****

Did you know our library accepts used books? If you have unwanted books, our library will put them to good use. Simply drop off your lightly used books in the school office. Thank you in advance.
