The Library Skill for May is: Evaluating A Book

As the school year draws to an end, so does the quest to find the best YHB. Each grade will vote for the book they enjoyed the most from the group of "Young Hoosier Books." The books will be judged on story content, illustrations, and overall interest level. Every grade will vote independently and all winners will be announced.

May's Author of the Month

is:

Eric Carle

Mr. Carle gets his ideas for writing from ALL life's experiences. It goes back to your upbringing, your education, and so forth. He is best known for his books "The Hungry Caterpillar" and "The Grouchy Ladybug."

Jump Through The Hoop For AR

I am proud to announce we are at 100% participation in our AR reading program. We will be celebrating everyone's accomplishments this month. Awards and prizes will be given out to all participants."

Upcoming Events in the QP Library:

During the last few weeks of school our library will have a display of seashells. We will study shells by their shape and size. As well as group them by color and shape. We will also try to hear the ocean in some of the shells.

*****Extra—Extra—Read All About It*****

Our local public libraries all have special summer reading programs for interested students. Please take advantage of what your library has to offer to you. Make this a "Supper Reading Summer."
