## We Are Smarties!

### Reading:

The students are doing a wonderful job with their reading! Please continue to read all of the decodable books that are sent home each week. Also, continue to practice ALL previously studied sight words. Please continue to read over the summer to keep their reading skills "in tune" for first grade.

### Writing:

We have completed our ABC Books! They did a great job and this will be a wonderful keepsake! We will continue to work on sentence structure and creative writing for the remainder of the school year.

**Math:** We are doing great with telling time to the hour and half hour! Continue to practice at home with both analog and digital clocks! We have also started to work on fractions and counting coins. They are doing great! Have them count the coins in their piggy bank! We will introduce the dime and quarter next week!

### Science/Social Studies:

We enjoyed celebrating Earth Day and discussing how to "Be Green". We are now watching our very own caterpillars change into butterflies right in our classroom! Each child received his/her own caterpillar and gave it a name! They LOVE this unit and are sooo excited!

Great reading activities on here!!!

## From The Teacher:

Please begin to help your child learn how to tie his/her shoes, recite address and telephone number.

THANK YOU all for a WONDERFUL school year! I truly enjoyed having your child in my class! Have a great summer vacation!

## Weekly Words

The students are doing a GREAT JOB on their sight word tests! I am so proud of their hard work!!! Keep it up! Only a few more weeks left! Be sure to practice reading over the summer!!!! For sight word practice over the summer go to [www.carlscorner.us.com/WOW.htm](http://www.carlscorner.us.com/WOW.htm) for printable activities.
