Hive Happenings

Reading:

Our last book study will be on a very fun story which I know the students are just going to love – Flat Stanley by Jeff Brown. We will also be creating our very own adventures with Flat Stanley's! ☺

Writing:

We will complete our last writing prompt from our Simple 6 Program! I am so proud of how much our writing skills have grown! We have excellent, creative writers in second grade! We will also be writing our final letters to our special pen pal friends. ☺ Please let me know if you would like to exchange addresses to practice writing over the summer!

Math: Unit 9 and 10

We will finish and be evaluated on Unit 9 and then move onto Unit 10: Decimals and Place Value! We will extend previous work with money and fractions to decimal notation for dollars and cents amounts, as well as extend place value to give digit numbers! Wow! ☺

Science: Life Science

We will end our year by doing an exciting Unit on Insects! ☺ We love creepy crawlies!

Busy Bees

- May 1 - FIRST COMMUNION! ☺
- May 2 - McTeacher's Night 4:30-7:30
- May 5 - Spirit Day!
- May 6 - May Crowning – All School Mass
- May 9 - Pep Session, Minni Vinnie's 3:00

- May 31 - All School Mass, 8th Gr. Grad.

Please have your Flat Stanley's Host information with two stamps returned to school no later than May 11! ☺ Can't wait to see all of our Stanley's adventures!

Buzz-worthy Notes:

Parents, words cannot express how great of a time I have had getting to know your family and being able to teach your wonderful & unforgettable children! ☺ A big THANK YOU for helping make a truly amazing year together. ☺

Hap-Bee Birthday Delaney!

Summer Birthdays: Robert, Isaac, Sofia, Solomon, Mark ☺
