Lori Spencer
Queen of Peace
School

Kindergarten- The students are finishing their flower pot project and beginning to work on their kite project for the Art Fair.

First Grade- The students have begun working on a water color floral design project. They always turn out so great!

Second Grade- Mystery animals are what we are working on now. The students read a description of the animal and draw what they read.

Third Grade- Mrs. Dover and I are working on the rainforest. The students are drawing, coloring and stuffing rainforest animals. They are turning out great!

Fourth Grade- Their Monet paintings are wonderful! We are now working on drawing 3-D shapes.

Fifth Grade- Quick sketching is what we are working on next. Drawing students in motion.

Sixth, Seventh and Eighth Grade- The students will be having a final test on May 18th. The students will receive a study guide to prepare them for this final. The students have been working very hard on their art projects. They will be displayed at the Art Fair. Hope to see everyone there.
