## On the Road of Learning

### Reading: **Novel Studies**

We will be reading Horrible Harry and the Triple Revenge by Suzy Kline.

### Writing: **Simple 6 & Unit 5**

The students will continue our work on the Simple 6 techniques focusing on 1. Stick to the topic 2. Logical Order 3. Interesting Words. We also will focus on Unit 5 in the textbook (Capitalization and Punctuation).

### Math: **Math Units 1 + 2**

We will wrap up Unit 1 which reviews various concepts from previous years (clocks, money, data, number grids, etc.). Next is Unit 2 which emphasizes adding/subtracting whole numbers.

### Science: **Resources & Weather**

We will learn about air and water resources, and weather (including temperature, precipitation, wind, and air pressure).

### Social Studies: **Communities**

## Notes from the Teacher:

Thank you so much for attending Parent Night!  
It was great meeting all of you, and I know that we are going to have a wonderful year!  
Remember-please feel free to contact me at any time regarding questions or concerns.  
Open communication is the best kind of communication.

## Journeying into a new age is:

Olivia White

Have a wonderful birthday 😊
