

From the Desk of Mr. duToit

6th Grade Social Studies

The sixth grade is currently learning about the Maya, Aztec, and Inca Empires. Next they will turn their powerful minds toward our southern neighbor, Mexico.

7th Grade Social Studies

Finishing their study of modern Korea and Japan, the seventh graders will turn their attention toward Southeast Asia.

8th Grade Social Studies

Currently the eighth graders are finishing a chapter on the pre-war South. They will then turn their powerful minds toward the Civil War.

6th Grade Latin

Having mastered possession and possessive adjectives, the sixth grade will be learning about the Roman calendar, the imperfect tense, and fifth declension words.

7th Grade Latin

This month the seventh grade will be turning their powerful minds toward the future tense and ablative case usage.

8th Grade Latin

Next the eighth grade will be tackling the future tense, ablative case usage, and will be trying a little Greek!
