St. Philomena Novena Prayers

Dearest St. Philomena, your prayers are powerful because you are so close to Our Lord. Your child-like faith and devotion are an inspiration to all of the faithful. Many miracles have occurred as a result of your intercession. In your closeness to Our Lord, please lift up these my intentions in prayer...

(state your intentions)

St. Philomena, at such a young age, you gave everything to Jesus to become a consecrated virgin for the Kingdom. Giving even more, you gave your life as you suffered a martyr's death to preserve your gift to our Lord. Pray for me, that I might have the same faith and willingness to accept God's will no matter the cost.

Amen.
