Easter Prayer

Lord, the resurrection of Your Son has given us new life and renewed hope. Help us to live as new people in pursuit of the Christian ideal. Grant us wisdom to know what we must do, the will to want to do it, the courage to undertake it, the perseverance to continue to do it, and the strength to complete it.

From the Desk of Ms. Miller:

Next week begins our ILEARN testing. As with any school day, it is best to start with a healthy breakfast after a good night’s sleep. I know I have said this before, but please reiterate with your children that these tests do not define who they are. We will use the information we get from these tests to help us be better teachers and to help prepare them for what is next in their lives. Test anxiety can be very debilitating for students and it is important that we as adults do not add to their nervousness. We need to share our calm with them and build them up. They are amazing students and we know they will all do well.

Next week we have two spirit days. Tuesday is our rescheduled Team Tuesday. Students may wear gear to support their favorite team. Wednesday is our scheduled Spirit Day through our Student Government. Please remember that students are permitted to wear shorts. Shorts must be at least fingertip length, jeans cannot have holes in them, and leggings are not permitted.

Our HASA is looking for three individuals to volunteer for their board. You are all members of HASA. Please consider being part of this important group. Carrie Crosbie will be the President next year. She is looking for a Vice President, Secretary and a Hospitality coordinator. If you are interested in finding out more about these positions please email HASA@Queenofpeace.cc

This time of year there is an increase in field trips. If you are interested in driving and chaperoning a field trip, please be sure you have completed Safe Environment training and background check. This process takes a little bit longer than it has in the past. If you are not sure whether you are “cleared” please contact the school office and we will be happy to check on your status. If you have any questions, don’t hesitate to reach out to us. Grandparents, family members, or other special guests who will be interacting with the students need to complete this training as well. Thank you for your attention to this!
